

3/1/2018

Dear Valued Customer,

We are delighted to announce that on April 1st, 2018, Wako Life Sciences, Inc. will change its corporate company name to **FUJIFILM Wako Diagnostics U.S.A. Corporation**.

This name change will be made because our parent company and manufacturer, Wako Pure Chemical Industries, Ltd (Osaka, Japan) became a consolidated subsidiary of FUJIFILM Corporation. Their new name will be **FUJIFILM Wako Pure Chemical Corporation** effective on April 1st, 2018.

The company will continue to operate under its current structure, and continue to promote quality innovative products through our “Wako” brand under the new company name.

The domain name of our e-mail address will change to “@fujifilm.com”. Other than the company name and e-mail address, everything will remain the same including our Customer Service office location (physical/ mailing addresses, phone, and fax numbers), remittance addresses and tax identification number.

| Manufacturer’s name             | <b>Change</b>       | <b>FUJIFILM Wako Pure Chemical Corporation</b>                                 |

Our commitment to our customers and partners remains our highest priority. We continuously focus towards building strong business partnerships, supporting our customer needs, and developing innovative products for the evolving laboratory and medical community. Documents already existing as of March 31, 2018, including contracts, purchase orders, invoices, etc. between your company and us will be transferred to the new company FUJIFILM Wako Diagnostics U.S.A. Corporation without needing to modify the company name.

Please ensure that all contact details and communication systems are updated within your organization to reflect our new company name **effective on April 1<sup>st</sup>, 2018**.

Should you have any questions, please feel free to contact your customer service representatives at 804-714-1924 or email us at [wakodx-customerservice@fujifilm.com](mailto:wakodx-customerservice@fujifilm.com).

Best regards,

Customer Service team  
Wako Life Sciences, Inc.
